Board Secretary

Welcome to the 140th Springfield Country Fair on July 27, 2024!
Our theme this year is “Celebrating Pollinators”:
Let’s do our part to provide the habitat needed for the pollinators in our environment!

We think with gratitude of the pioneers of 140 years ago who valued community so much that they began the wonderful tradition of celebrating Country Life with the Springfield Country Fair. It is our hope today to highlight the importance of the Agricultural aspect of our municipality for the next generation, for those who are increasingly distanced from the source of their food.

Remember: We can all thank a farmer, three times a day!

We welcome families and friends to come to Dugald to continue the tradition with us to enjoy the fun-filled, family-friendly events at the Fair- there’s something for everyone!

A great way to participate in this celebration is to enter exhibits in the Fair - just check out this Fair Book (also online at springfielddagsociety.com) and see how many opportunities there are for “friendly competition” at all ages. Some of the categories are: baking, canning, adult and kids’ crafts, gardening (flowers, herbs, veggies and fruit), metal work, quilting, and sewing. We look forward to seeing this year’s crop of creativity, especially in this year’s Springfield Pride Photo contest with the theme “Country Fair Memories”, as well as in our Digital Photo Competition.

The Schedule of Events is on page 1 of this book. Make sure to sign up for the friendly Canadian Wellington Boot Throw Competition (AKA “Huck-a-Boot”). It’s the trademark of our fair and it is open to all ages. Plan to participate in the Scarecrow-making Competition (bring your own props or use the ones provided) and the Bicycle Decorating Contest. There’s also Musical Entertainment, the Cribbage Tournament, the Tractor-pull and the Bicycle Decorating Contest. Check out the Antique Tractor Display, Petting Farm, Pony Rides, Mini-Golf, crafts and games for the kids, Bouncers, Barrel Train rides, free cotton candy and a wandering Clown. ALL ACTIVITIES are included in the entry fee of \$3 each or \$10 per family.

Thank You to the many volunteers who have combined talents and efforts to bring us the Fair: they are the key to the success of any community event.

We are also very grateful for our community sponsors for their generous support, enabling us to bring a top-notch, affordable event for the families of Springfield. Please look for their advertising in this Fair Book and continue to support them.

POINTS CONSIDERED IN JUDGING FRUITS AND PRESERVES

Canning:

Fruit is cooked in a liquid, either water or syrup, made from sugar and water. It may be cooked by the openkettle or the closed jar method. The latter is more common. In judging canned products, if the seal is not perfect, the jar should be disqualified and so marked on the entry slip. If the contents of a jar appear questionable the jar may be opened. Citric acid should be added to tomatoes when canning to ensure their safety. The proportions are:

1 tbsp. boiling water and 1/4 tsp. citric acid per pint or 1 tbsp. boiling water and 1/2 tsp. citric acid per quart.

Points:

55 Appearance	Condition of finished product - original shape Natural colour - free from blemishes or spots. Liquid - clear and free from cloudiness or sediment. Proportion of liquid to solid in finished product - Fruit, one third and two thirds solid.
30 Packing	Size of pieces of food - uniform and convenient to use.
10 Container	Clean and free from surface soil, appropriate in size and type.
5 Label	Small, neat, visible. Name and date. Uniformity in labeling collections.

JAMS, CONSERVES AND MARMALADES

Jams are usually made from small fruits. The whole fruit is cooked with sugar to a desired consistency which should be jelly-like but soft and easy to spread. The colour should be bright and the texture relatively uniform. The flavour should be characteristic of the fruit used.

Marmalades are made from the pulp and juice, or entire fruits shredded or cut in small pieces. The consistency should be jam-like or jelly-like. Single fruit may be used, but often two or more are blended.

30 Texture.....	Size of Fruit, Thickness of product

JUDGING JELLIES

Jelly is the product of fruit juice entirely free from peel, cooked with sugar until it sets when cold. The texture should be uniform and free from suspended matter or particles. It should be tender, easily cut, leaving clear shining faces and sharp edges. It should retain its shape when removed from the container, and should quiver, but not shake, when disturbed. It should not be gummy, syrupy, sticky or rubbery. The flavor should be characteristic of the fruit.

Points:

25 Appearance	Colour - natural. Clearness - clear sparkling.
40 Texture.....	Hold its own shape without being solid. Smooth, shiny cut edge.
20 Flavor	Natural flavor of fruit.
10 Container.....	Clean, suitable, not too large.

PICKLES AND RELISHES

Pickles are large pieces of whole fruit or vegetables in a clear or mustard dressing. The preservatives used are vinegar, salt, sugar, and spices. Relishes are made of the same materials but all ingredients are chopped finely.
